

## Illinois Home Performance Participating Contractor Equipment Discount Program

In partnership with Illinois Home Performance, the Energy Conservatory is pleased to extend the following discounts of 10% per item to all IHP Participating Contractors. For more information about becoming a Participating Contractor, visit [www.illinoishomeperformance.org/become-a-contractor](http://www.illinoishomeperformance.org/become-a-contractor). For more information about the products listed below, visit [www.energyconservatory.com](http://www.energyconservatory.com).

Please send completed order forms to Illinois Home Performance by email, fax, or mail (all information listed below). IHP will submit order forms to TEC to ensure discount is applied. All orders require payment via Visa or Master Card prior to order processing. TEC will ship within 1-2 business days after receiving the order and approving the credit card.

Please note that Unit Prices do not include shipping charges. Equipment will be shipped Ground UPS, unless otherwise specified in the comments section below. Shipping charges will be added to the invoice. Unit pricing, discounts, shipping charges, and estimated delivery dates will be confirmed by the Energy Conservatory upon receipt of your order.
